

PALINFRASCA

by Studio Fabio Fantolino

Dalla composizione bassa che ricorda una madia, a quella più alta che rimanda ad una finestra su un bel panorama, meta di ogni buona lettura. Palinfrasca ti permette di divagare, componendosi in lungo e in largo per soddisfare ogni tua esigenza.

Le linee apparentemente nette si addolciscono nei dettagli: le mensole accolgono i montanti arrotondandosi; essendo anch'essi stondati, l'incastro risulta semplicemente perfetto.

From the low composition reminiscent of a sideboard, to the higher one that brings to mind a window overlooking a beautiful landscape, the perfect spot for all good reading. Palinfrasca allows your mind to wander, with long and tall compositions to meet your every need.

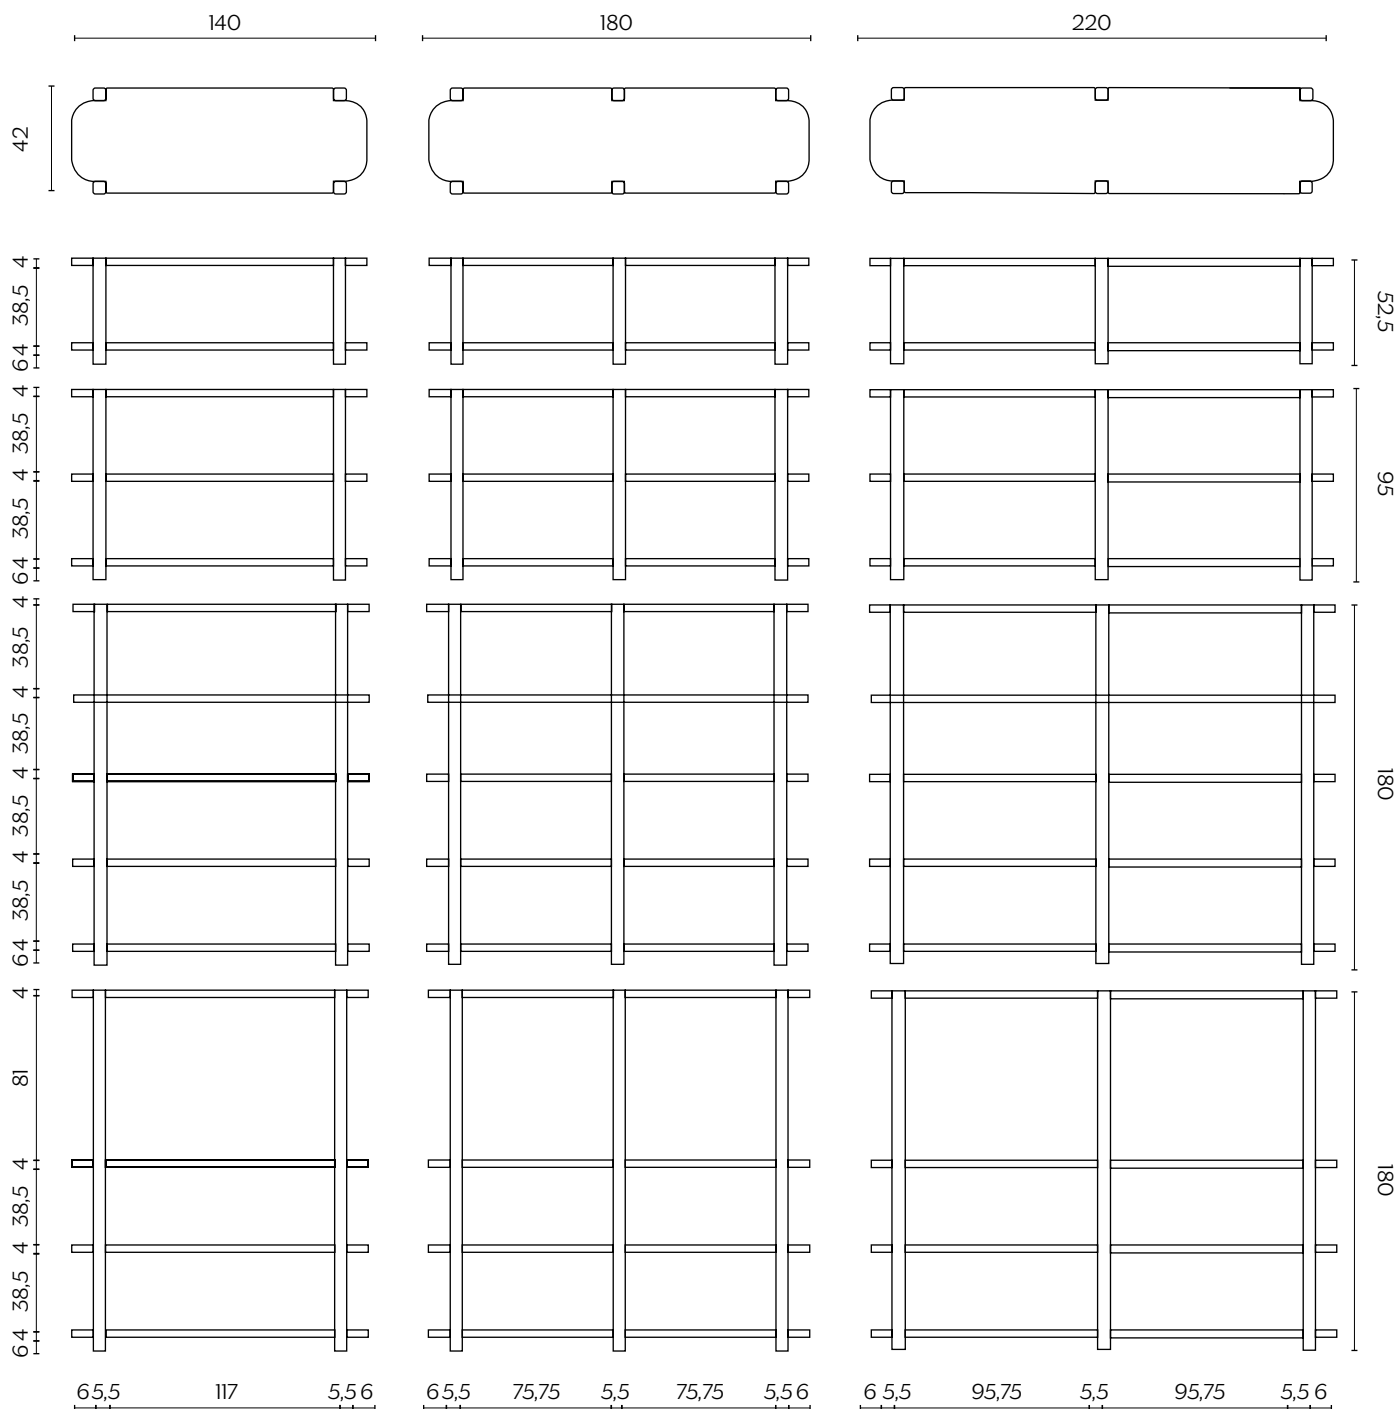

The apparently sharp lines are softened by the details: the shelves curve to embrace the uprights; they in turn are rounded, creating a simply perfect union.
