

BONALDO

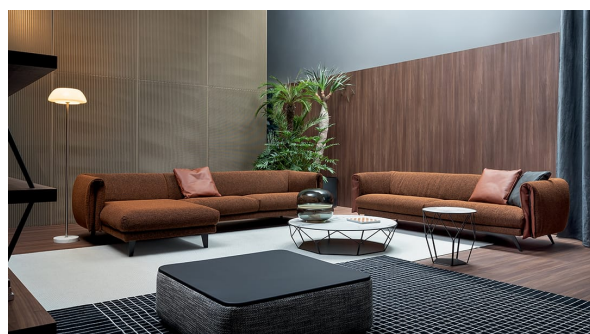

Saddle

Designer: Giuseppe Viganò

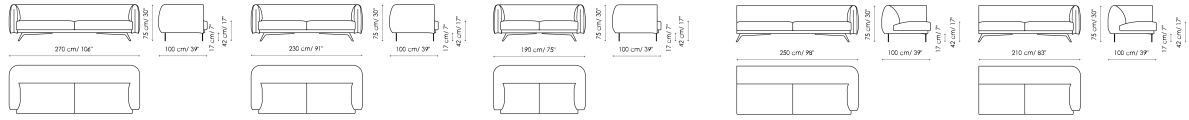

Designed to offer the utmost level of elegance, the Saddle sofa stands out for its modern and functional style. The tub-shaped back and armrests, which recall the shape of a saddle, and the padded seat make this sofa enjoyably soft. The aesthetic appeal is accentuated by the leather insert in the armrest, which defines its front and allows for a singular play of

materials and combinations, to create a high-impact optical effect. The upholstery, in fabric or leather, is fully removable; the feet in metal lighten the shape of the sofa, emphasising its contemporary allure. The extensive modularity of the sofa makes it possible to create multiple configurations, suitable for all spaces.
